CHAMPLAIN — A teenager faces felony charges after making a bomb threat at Northeastern Clinton Central School. State Police based in Plattsburgh said faculty at the school notified troopers that a note had been found about 11:45 a.m. Wednesday in a girls bathroom at the High School saying a bomb would go off that day. State Police, the U.S. Border Patrol, the Rouses Point Police Department and Champlain Fire Department all sent personnel, and the school was evacuated.

A Border Patrol bomb dog searched the building, but nothing suspicious was found. State Police arrested a 16-year-old girl, whose name was not released.

She was charged with first-degree falsely reporting an incident, arraigned in Champlain Town Court and sent to Clinton County Jail.

PLATTSBURGH — A Champlain woman was arrested Wednesday in connection with a violent robbery attempt in November 2006.

As part of an ongoing investigation by Plattsburgh City Police, Angela Gonyo, 20, faces a felony charge of second-degree attempted robbery after she was identified as the alleged third culprit in a violent attack at Adirondack Lane last year.

According to Plattsburgh City Court documents, Gonyo allegedly attempted to steal a wallet out of the victim's pants pocket while two men punched him in the face and kicked him in his side to subdue him during the robbery.
