

There are several different online archives:

- Our [current archives](#) include news and sports articles published online from April 2007 through the present.
- **Search Tips** — Click [HERE](#) for tips on how to get the most out of the Advanced Search options.
- Our [old archives](#) include news and sports articles published online from Jan. 1999 (when PressRepublican.com was launched) and April 2007.
- The [very old archives](#) including images (PDFs) of the Press-Republican and its predecessors — the Plattsburgh Sentinel and the Plattsburgh Republican.
- [Current obituaries](#) include full obituaries and death notices from the past 12 months.
- [Old obituaries](#) include the period from April 1999 through August 2007. The link at the beginning of this paragraph will bring you to a page with all obituaries listed in alphabetical order. If you insert the name of the deceased in the Filter box and press Enter on your keyboard, the results will show all published obituaries with that name in the obituary title.

You can reach all the above archive sections from this page. Links to all the different archive sections are listed in the horizontal navigation menu above. There are also links to each of the archive sections inside the paragraphs listed below explaining more about each of the sections.
